No. 193.—The following revised rules for the provision of shelter for destitute widows and orphans are published for general information :—

440. *Shelter for widows and orphans of British soldiers.*

In supersession of India Army Order No. 134 of 1910 and subsequent India Army Orders making amendments thereto, the following rules for the provision of shelter for widows and orphans of British soldiers are published for information and guidance :—

(i) Women and children of European descent who are the widows and orphans respectively of British soldiers, living in poverty in India, will be provided with shelter in certain charitable institutions which are recognised * by the Government of India as suitable for their reception and which are prepared to receive and maintain them on payment of a suitable capitation allowance. This allowance (fixed separately for each institution) will not exceed Rs. 25 per mensem for each widow and Rs. 10 † per mensem for each child.

* A list of institutions recognised to date, showing the amount of capitation allowance so barred for each, forms an annexure to this order. All future amendments or additions to the list will be published in India Army Orders.

† Not admissible when a child is sent to a Lawrence Military Asylum.

(ii) (*a*) Applications for admission into any of the recognised institutions, giving full particulars of each case, and containing proof that the person or persons are of European parentage as defined in Army Regulations, India, Volume II, should be submitted either by Collectors, Deputy Commissioners, Officers Commanding units, or Clergymen, to the General Officer Commanding Division or Brigade concerned, through the local military authorities. The latter, while reporting fully on the merits of each particular case, will also specify whether accommodation in a recognised institution is available, and what capitation grant, within the maximum specified in rule (i) above, will be required.

(*b*) Any case which it is proposed to treat specially should be referred for the orders of the Government of India.

(*c*) In cases where shelter is required for a widow in an institution not included in the annexure to this order, the application should be submitted to the Government of India, by the General Officer Commanding Division or Independent Brigade, through the Local Government concerned for report as to the suitability of the institution for the purpose.

(*d*) The capitation allowance sanctioned for a widow is only admissible so long as she is actually residing in a recognised institution.

(iii) The capitation allowance for children will be paid until the attainment of 16 years of age (extensible, in the case of girls only, up to 18 years of age in special cases) The admission of children to recognized institutions is to be strictly reserved for suitable and eligible cases which do not come within the application of paragraph 685, *et seq.*, Army Regulations, India, Volume I, *e.g.*, children of soldiers (whose wives were borne on the married roll of the regiment) who were born after the fathers had become non-effective, will not be debarred from the benefits of these rules if otherwise eligible.

NOTE.—These rules are intended to apply only to children who are not of school-going age. Children of school-going age should be sent to one of the Lawrence Military Asylums in an orphanage or boarding school, of suitable denomination, which receives poor European children. A capitation fee not exceeding Rs. 10 a month will be granted to each child of school-going age admitted to an orphanage or boarding school but will not be admissible if the child is sent to a Lawrence Military Asylum.

(iv) The cost of conveyance of widows or orphans to a recognized institution under the foregoing rules will, when necessary, be borne by the State.

(v) These rules will be applicable to deserted and destitute families of British soldiers.

British soldiers who are pensioners, and who enlisted after the 26th October 1900, will be required to assist in the maintenance of their families, under the provisions of Article 1211 of the Royal Warrant, 1914. The merits of each case will be fully investigated and reported on by the local military authorities and submitted to the Adjutant-General in India for the orders of the Government of India.

2. The utmost publicity should be given to these orders.

RESALE OF SHELL-PIT AREAS IN THE CHINGLEPUT SUBDIVISION.

THE exclusive right of excavating shells in the waste lands of the undermentioned places will be put up to auction at the upset price noted against them at the office of the Inspector, Salt, Abkari and Customs Department, Madras Depot Circle, near Elephant Gate at Madras, on Thursday the 28th June 1917 at 2 p.m.

2. The lease will commence and terminate on the dates noted against the respective groups. It will be limited to six months. The amount of bid which will be subject to confirmation by the Deputy Commissioner, Central Division, will be for six months.

5. A deposit of one-third of the upset price must be made by each intending bidder previous to bidding and it will be received by the Inspector, Salt, Abkari and Customs Department, Madras Depot Circle, at any time during the office hours within three days previous to the date of sale.

4. No person will be allowed to bid for another, unless he holds a power-of attorney from him. Such facts should be brought to the selling officer's notice at once

5. The selling officer may for valid reasons refuse to accept any bid, and in cases of dispute his decision shall be final; if, for any reason, the highest bid is rejected, the selling officer may at his discretion either accept the next highest bid or commence the auction again

6. The final acceptance of bids shall rest with the Deputy Commissioner, Salt, Abkari and Customs Department, Central Division, who reserves to himself the right to accept or reject any bid at his discretion.

7. The deposits made by the unsuccessful bidders will be returned, as soon as possible, after receipt of the orders of the Deputy Commissioner, Central Division, on the auction sale report.

8. As the auction proceeds, each successful bidder shall at once, if so required by the selling officer or otherwise at the close of the day's sale, make such further deposit as the selling officer may require. Should he fail to do so, the deposit made by him under condition 3 supra will be forfeited and the shell-pits will be put up to auction again or otherwise disposed of as the Deputy Commissioner may determine, and the defaulter may be debarred from bidding again at any subsequent sale of shell-pits by the Deputy Commissioner.

9. On the acceptance of the bid the successful bidder will be required to enter into an agreement within a week from date of receipt of order accepting the bid for the due performance of his contract and pay one-tenth of the auction amount to the Assistant Commissioner, Chingleput subdivision, or any officer nominated by him. Should the bidder fail to do so, the deposits made by him under conditions 3 and 8 supra will be forfeited and the shellpits will be sold or otherwise disposed of as the Deputy Commissioner may determine Resales effected will be at the risk of the defaulting bidder who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the amount payable under the terms of the original sale and that payable by the successful bidder at the resale

10. A copy of the form of the agreement can be seen at the office of the Assistant Commissioner, Chingleput subdivision, Madras, where all further information on the subject can be obtained.

11. All the conditions of the agreement will be strictly enforced. If the bidder entertains any doubts regarding any condition, he may apply to the Inspector, Tiruvallur circle, and have his doubts cleared either before or at the time of auction sale. No notice will be taken of any subsequent representation.

12. The amount paid under conditions 3, 8 and 9 supra will be adjusted towards the last instalment of purchase money payable under condition III of the agreement.
